ASTRAPLASTICSURGERY.COM

Astra Plastic Surgery is one of the Southeast's few subspecialty practices, offering a sophisticated approach to aesthetic enhancement of the face and body. The practice specializes in facial rejuvenation, breast enhancement, body sculpting, and cosmetic injectables. Combining advanced surgical techniques with cutting-edge technology, Astra Plastic Surgery delivers results that are both refined and naturally beautiful. The team emphasizes personalized care, building trust and guiding each patient through a seamless journey toward their aesthetic goals. Dr. Christopher Killingsworth, founder of Astra Plastic Surgery, is a board-certified plastic surgeon recognized for excellence in cosmetic procedures for the breasts and body, including mommy makeovers, tummy tucks, and breast enhancements. Known for his meticulous attention to detail, he has earned distinction from peers and patients alike, including being named a *2026 Castle Connolly Top Doctor.* Dr. Killingsworth's extensive training in breast, cancer, and vascular surgery, combined with minimally invasive techniques, allows him to craft individualized treatment plans that achieve natural, elegant results.

## CHRISTOPHER KILLINGSWORTH, MD

*ASTRA Plastic Surgery, Board-Certified Plastic Surgeon*

Dr. Christopher Killingsworth is a nationally recognized, board-certified plastic surgeon distinguished for his expertise in aesthetic and reconstructive surgery of the body. With more than 12 years of advanced surgical experience, Dr. K has become a leading authority in transformative body contouring, with a signature focus on Mommy Makeovers—his bespoke approach to restoring youthful curves, refining the waistline, and renewing confidence. Specializing exclusively in procedures of the body—including abdominoplasty, breast surgery, liposuction, and aesthetic body procedures—Dr. Killingsworth blends meticulous surgical technique with an artistic eye for proportion, symmetry, and silhouette. Patients from Atlanta and across the country choose Dr. Killingsworth for his compassionate care, unparalleled precision, and the life-changing results that define his work.
