Our Accessibility Statment

GENERAL

We strive to ensure that its services are accessible to people with disabilities. We have invested a significant amount of resources to help ensure that its website is made easier to use and more accessible for people with disabilities, with the strong belief that website accessibility efforts assist all users and that every person has the right to live with dignity, equality, comfort and independence.

ACCESSIBILITY ON OUR SITE

We make available the UserWay's Web Accessibility Widget is powered by a dedicated accessibility server. The software allows us to improve its compliance with the Web Content Accessibility Guidelines (WCAG 2.1).

ENABLING THE ACCESSIBILITY MENU

Our accessibility menu can be enabled by clicking the accessibility menu icon that appears on the corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

DISCLAIMER

We continue our efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities.

In an ongoing effort to continually improve and remediate accessibility issues, we also regularly scan our site with UserWay's Accessibility Scanner to identify and fix every possible accessibility barrier on our site. Despite our efforts to make all pages and content on our site fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution.
