All content and media on the Astra Plastic Surgery website is created and published online for informational purposes only. It is not intended to be a substitute for professional medical advice and should not be relied on as health or personal advice. Always seek the guidance of your doctor or other qualified health professional with any questions you may have regarding your health or medical condition. Do not disregard the advice of a medical professional, or delay in seeking it because of something you have read on this website. If you think you may have a medical emergency, call your doctor, go to the nearest hospital emergency department, or call emergency services immediately.

This website and its contents do not represent or claim to provide the information needed for a patient to give his or her informed consent to any surgical procedure or are a reflection of individual patient results, as they may vary patient to patient. Individual results will vary and no guaranteed result is stated or implied by any photo use or any statement, testimonial, or video on this website. The results depicted in “before” and “after” pictures and stated by any “patient testimonial” illustrate results you may or may not achieve if you choose to have a cosmetic procedure. Individual results may vary by patient. If you choose to rely on any information provided by Astra Plastic Surgery, you do so solely at your own risk.
